MEMORANDUM FOR: Director of Joint Computer Support
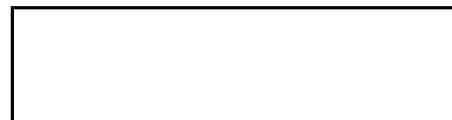

ATTENTION:

SUBJECT: IC Staff and USIB/IHC Computer Terminal
Requirements for FY 1976 through FY 1981

1. In response to your request, attached is an OJCS Terminal
Survey Form containing the computer terminal requirements for the
IC Staff and USIB/IHC for FY 1976 through FY 1981.

2. There are three terminals now located in the IC Staff
consisting of one APL Delta Data CRT and two IBM 2741 typewriter
terminals. In FY 1976, the IC Staff expects to replace on 2741
typewriter terminal with another APL Delta Data CRT. In addition,
USIB/IHC plans to request that a Delta Data CRT and a TI printer
be installed in its area in FY 1976. Therefore, by the end of FY 1976,
the IC Staff and USIB/IHC will have a total of three Delta Data CRTs
and one IBM 2741 typewriter terminal in their combined areas.

3. No requirement for additional terminals are known at this
time for the FY 77-81 time frame.
